"As a mother comforts her child, so will I comfort you." ~Isaiah 66:13

Changing Lives... One Family at a Time.

Volunteering for Fair Havens

We have been blessed beyond measure with people eager to share their gifts and talents that the Lord has given them with the families at Midland Fair Havens. Volunteer opportunities come in all shapes, sizes, and ages at Midland Fair Havens. From Monday Night Life Skills and Dinners to After School Tutoring and Fencing (not the Olympic kind...the structural kind) we've had big hearts around Midland to lend a hand.

"For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

One of our youngest volunteers, Blair Hullender, says, "The Lord does know my plans and I am so thankful to be a part of Midland Fair Havens. I have very much enjoyed creating relationships with these precious children. I enjoy going every Monday night to Life Skills and loving on the sweet four, five and six year olds, teaching them about the Lord and spending time with them. They are such a blessing to me and have taught me so many things.

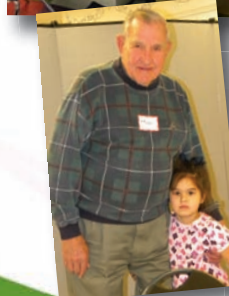

Since the beginning of January, the Lord put two of the most amazing kids into my life. I have had the privilege of tutoring two of the older children once a week and getting to talk about things that are going on in their lives. I have learned so much about them and have developed strong relationships with both of them. Simple things like filling baskets with fun things that they enjoy, and watching their reaction when they open it is priceless.

Monday Night, Children's Life Skills

I am so thankful for the opportunity to work for the Lord and in these children's lives."

"...the Lord has blessed me because of you..." Genesis 30:27

The skills and talents of all MFH volunteers are priceless and we appreciate the individuals, groups, churches, civic organizations and employee groups that have shared in the success of these families.

MISSION STATEMENT

The mission of Midland Fair Havens is to equip single mothers and their children for self-sufficient living by addressing their educational, vocational, spiritual and emotional needs in residential and non-residential settings.

“This program is a definite blessing. I thank God everyday for allowing me this opportunity and for the staff at Fair Havens. Their unconditional love is unreal! I love it here! I have begun to establish a closer relationship with God and have really begun to focus on my spirituality. My children have been helped with their self esteem as well as being provided with a good Christian foundation. The staff is so loving and motivational. And the Midland community is awesome in all that they donate. This place is an absolute blessing. Thank you, Jesus!” ~MFH resident

“This program has boosted my self image. I finally feel that I’m out from under a cloud and I can begin to see myself. That’s a good feeling!” ~MFH resident

“Be Joyful in hope, Patient in affliction and Faithful in prayer.
Share with God’s people who are in need. Practice hospitality.”
Romans 12:12-13
